

Find great tenants with the **Transitions to Community Living Voucher**

The Transition to Community Living Voucher (TCLV) provides rental assistance for individuals moving from care facilities to rental housing in the community.

What Can TCLV Do for Me?

- Fill your vacancies with individuals who receive services to be successful tenants.
- Enjoy timely rent deposits and access to a dedicated hotline.
- Receive reimbursements for damages, broken leases, and more.
- Benefit from training regarding financial, legal, and supportive services and resources.
- Use your standard screening processes.
- Maintain compliance with Fair Housing laws by providing housing access to people with disabilities.

How Do I Get Started?

1. List housing on **NCHousingSearch.org**.
2. A transition team with a tenant will contact you to complete a “Request for Lease” form.
3. Schedule a streamlined inspection.
4. Sign a lease with your tenant.
5. Sign a contract for the voucher payment.

“ This is a wonderful program! I never had any issues with the tenants who have been housed through the program. I am grateful for the great tenants the program has provided us.”

Tonya, Property Manager
